

Litchfield Youth Soccer League

Players, Coaches, Parents and Spectators Code of Conduct

The LYSL is now requiring all coaches, players, parents/spectators to review, understand and abide by this Code of Conduct. This is a written reminder for all that children's sports are supposed to be fun - for the children. We at LYSL want to be sure everyone keeps our mission in mind and encourages having fun at LYSL soccer events.

We are asking all coaches to review this code with players and parents at your first team meeting. This meeting should be at the beginning of your first practice or at another designated time before practicing. Everyone reviewing and understanding this code will acknowledge the appropriate section by signing that form.

We appreciate your assistance in distributing this Code of Conduct. If you have any questions, please contact the LYSL at info@litchfielddyouthsoccer.com.

Thank you,

The LYSL Board of Directors

As a coach of the LYSL, I agree to:

- Remember that players participate for pleasure and winning is only part of the fun.
- Never ridicule or yell at players for making a mistake or not winning.
- Be reasonable in my demands on player' time, energy and enthusiasm.
- Operate within the rules and spirit of the game and teach my players to do the same.
- Ensure that the time players spend with me is a positive experience. All players are deserving of equal attention and opportunities.
- U10 and younger travel - All players deserve equal playing and training time, regardless of their ability.
- U11 and older travel - It needs to be communicated to parents and players that teams are becoming much more competitive and all players will play but not equally.
- All recreation level players should receive equal playing and training time, regardless of their ability.
- Ensure that equipment and facilities meet safety standards and are appropriate to the age, maturity and ability of all players.
- Display control, respect and professionalism to all. This includes, but is not limited to, opponents, coaches, officials, administrators, the media, parents and spectators. Show concern and caution toward sick and injured players. Follow the advice of a physician when determining whether an injured player is ready to practice or play.
- Keep up to date with the latest coaching practices and the principles of growth and development of young players.
- Understand that any physical contact with a player should be appropriate to soccer situations and necessary for the player's development.
- Respect the rights, dignity and worth of every young person regardless of their gender ability cultural background or religion.
- Believe that my role as a coach is to contribute to the overall success, physical, and athletic growth of the player through participation in soccer.
- Endeavor to be a good instructor and a positive role model for my players.
- Remember my behavior brings credit to myself, the LYSL and the sport of soccer.
- Believe that referees, just as coaches and players, are attempting to do their best.
- Understand that my attitude can influence the players, coaches and spectators.
- Demand a sports environment for the children that is free from drugs, tobacco, and alcohol and I will refrain from their use at all LYSL events.

Being a coach, I have read and understand the LYSL Code of Conduct. I agree to abide by this code of conduct and practice good sportsmanship throughout the season. I pledge to help enforce this code as written to better the soccer experience for all.
